CHRISTIAN AUSSIE TRIO LAUNCHES EP DURING INTERNATIONAL TOUR

Amid their jam-packed tour schedule, Australian band [Verses](#) have today thrilled fans by releasing their anticipated EP 'Chapter 1', featuring their well-known tracks *All Things* and *Your love* and introducing three new tracks.

The band from Newcastle have been touring the United States as part of Kingdom Conference, performing in Portland, Vancouver and Bend then stopping in Nashville to present an award at the We love Christian Music Awards. Despite these full days, Verses' focus remains on releasing songs that share gospel truth through music to encourage and inspire Christians.

Band members Luke, Jess and Joel are particularly excited about this EP, ensuring their Australian and international fans alike can hear some of their newest tracks, *Freedom*, *Holy* and *Be the Light*.

"Our purpose has always been to have scripture in people's worlds. To make it accessible in their everyday. So the more tracks we have out there, the more opportunity there is for His word to go out and bring life and truth to people," Jess said.

"The EP is the collection of songs that birthed Verses. When we started writing these tracks we did so with intention of just giving it to our youth group and then being done with it. But God has shown that there is such a need for scripture to be in people's lives that doors keeping opening for us, which has led us to writing more songs, and God keeps making a way for us to share this with more people and so we keep saying 'yes'.

"The Tour has been such a great time already for us. We have seen hundreds of salvations over the last couple of weeks and we have been able to share our music with so many people that we never would have had the opportunity to do so."

Working again with some of the world's best mixers and producers, listeners can expect the fresh, modern sounds they have come to know and love from this EP.

Verses are committed to working to make these songs freely available online on [Soundcloud](#) and Noisetrade.

About Verses

Verses is a trio of musicians from Newcastle, New South Wales. Brothers Luke and Joel O’Dea and Jess Clayton each write, sing and play various instruments. As a band they are committed to creating well produced music that represents God and His word well, creating songs based on scripture.

It was in New York City in the summer of 2013 that Jess, Luke and Joel were first inspired to create bible based music appealing to pop and electric music fans. They set up a studio right there in the warehouse they were renting and spent the summer writing and recording songs based on scripture God had spoken to them through.

It is their love for God’s word and a desire to encourage listeners with a style of music not typically associated with Christian music that inspires the band.

Verses are committed to inspiring and resourcing Christians, wanting to produce music that is freely available online.

Currently on tour in the United States, Verses are expected to return home to Australia in April 2017.

“We are confident that the Word of God, when sent out, will do exactly what it is designed to do – to make Him known and encourage His people.”
